

amoena

For any woman experiencing uneven breasts
A BALANCED SOLUTION

At Amoena, our mission is to be the number one trusted partner in supporting women's confidence. With our Balance portfolio of premium breast shapers, we want to empower every woman to feel sure of herself – and her body.

MULTIPLE THICKNESS OPTIONS

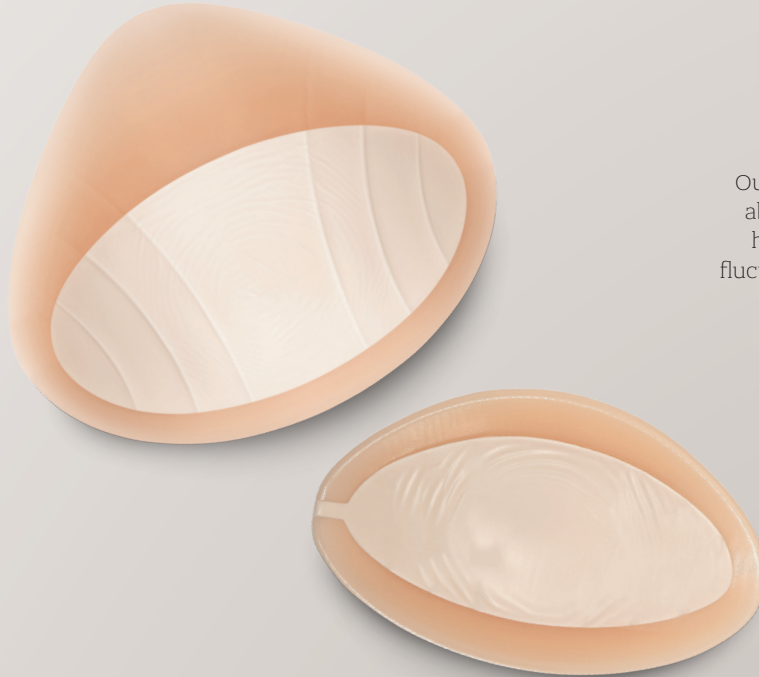

A wide portfolio of full shapers available in three thicknesses..

A SHAPE FOR EVERY BREAST

A wide variety of shapes allows every woman to find the best fit for her unique shape.

SMOOTH TRANSITION

Thin, natural-looking edges ensure a smooth transition to the chest.

comfort+

COMFORT+ TECHNOLOGY

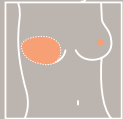

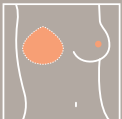

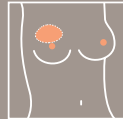

Our patented Comfort+ technology absorbs, stores and releases body heat to help regulate and balance fluctuations in body temperature for ultimate comfort all day.

NATURAL FEELING SILICONE

High-quality silicone provides an exceptionally natural fit and feeling.

A SHAPE FOR EVERY TYPE OF BREAST ASYMMETRY

A new portfolio of choices to help you solve any and all fitting challenges.

FITTING CHALLENGE			
One breast is slightly smaller.	One breast is significantly smaller.	Missing tissue on the lower part of the breast.	Missing or uneven tissue on the upper part or side of the breast.
FITTING SOLUTION			
<p>OVAL Use Oval to accommodate small differences in cup volume – a double-purpose shape that can be positioned either horizontally or vertically.</p>  <p>Available in Thin thickness – for a delicate fit.</p>	<p>DELTA Use Delta as the go-to shape to compensate for missing volume across the entire breast area.</p>  <p>Available in three thicknesses (Thin, Medium, Volume) and four sizes (corresponding to bra sizes) – to solve cup-difference challenges.</p>	<p>ELLIPSE Use Ellipse at the lower part of the breast to replace volume and push up the entire breast.</p>  <p>Available in four sizes – for just the right amount of push-up and lift to create a natural silhouette.</p>	<p>VARIA Use Varia at the top or side of the breast – a versatile shape that can be positioned for many different fitting options.</p>  <p>Available in four sizes – for a natural silhouette across the entire breast.</p>
